9780717663309 **£10.00** (£12.00 inc. VAT)

Asbestos

Asbestos can be found in any building built before the year 2000 (houses, factories, offices, schools, hospitals etc.) and causes around 5,000 deaths every year.

HSG210 Asbestos essentials: A task manual for building 2012 maintenance and allied trades on non-licensed asbestos work (Third edition)

Designed to be durable, practical and small enough to fit in your toolbox, Asbestos essentials uses a series of task sheets, with over 100 full colour photos and illustrations, to describe 'good practice' for non-licensed tasks.

9780717665037

£15.00

HSG247 Asbestos: The licensed contractor's guide 2006

This publication is aimed at businesses holding a licence to work with asbestos, either repairing or removing asbestos-containing materials (ACMs), supervising such work, holding an ancillary licence or providing training on asbestos.

9780717628742

£14.50

HSG248 Asbestos: The analyst's guide for sampling, analysis and 2005 clearance procedures

This publication is aimed at analysts involved in licensed asbestos removal and sampling of asbestos-containing materials. It combines information previously contained in various HSE publications and updates the material, providing a comprehensive guide.

9780717628759

£16.50

HSG264 Asbestos: The survey guide (Second edition) 2012

This publication is aimed at people carrying out asbestos surveys and people with specific responsibilities for managing asbestos in non-domestic premises.

9780717665020

£17.50

INDG223W Managing asbestos in buildings: A brief guide - Welsh version 2012

9780717665204

Pack of 5 **£5.00**

Inform workers

Construction: work-related ill health poster 2015

9780717666546 **£6.25** (£7.50 inc. VAT)

INDG 409 Time to clear the air! A workers' pocket guide to local exhaust ventilation (LEV) 2008

9780717663002 Pack of 25 **£3.50**
